

THE NBS~GROUP ... of ITS Industry Consultants

THE GRIP is a simple project management & operations metaphor - analogous to the human hand.

- * **Communication** between project managers, team leaders & finance is fundamental if the Right >
- * **Resources** are to be available in the Right >
- * **Location** at the Right >
- * **Scheduled** Time for Task synchronicity and successful completion of -
- * the **Mission** as defined by the Project Charter.

An NBSG white paper detailing the GBS~Lexicon (grid based schema) is a free download.
